

## How does the United Nations work?

By [TED Ed](#) | Oct 25, 2016

Ever curious about the reaches of the United Nation and what they do? Here's a great video to improve your understanding of the UN, including its role in world politics and policy making, all in less than 2 minutes!

A really [short quiz](#) on this.

Invite your learners on an open ended discussion.

The United Nations is responsible for a variety of different international interactions. What do you think are their best accomplishments? And why?

And finally take the discussion towards the Declaration of the Rights of the Child.
