

Motion in a Plane

By [Socratease \(www.socratease.in\)](http://www.socratease.in) | Apr 26, 2018

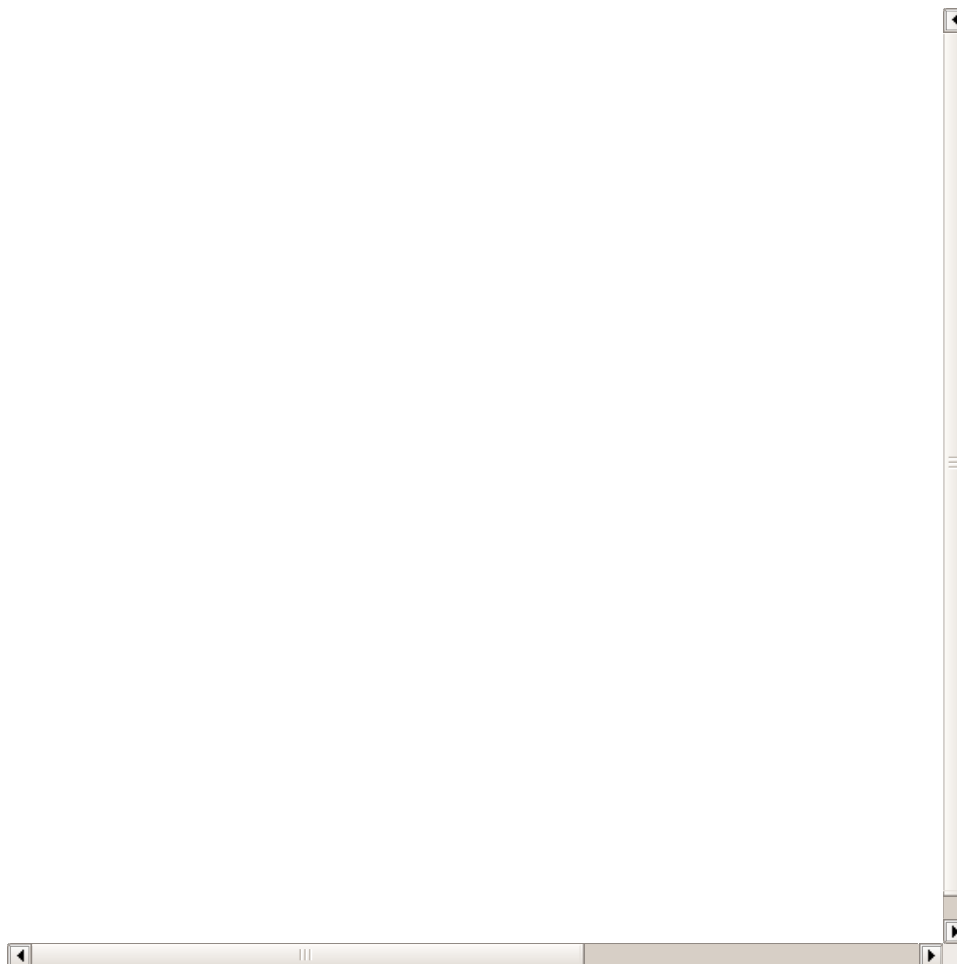

This interactive lesson plan helps the learner understand Motion in a Plane with simulations and inbuilt assessment. Teachers can use it in various ways to discuss the concept of motion among their students.

Do write in the comment section if you use it in your classroom and the kind of responses you got from your students. For a full screen experience please click on the following link: <https://www.socratease.in/chapters/intro/motion-in-a-plane-1>

Duration:

(All day)
