

Using Pair Work & Group Work in Secondary Classes ~ TESS India

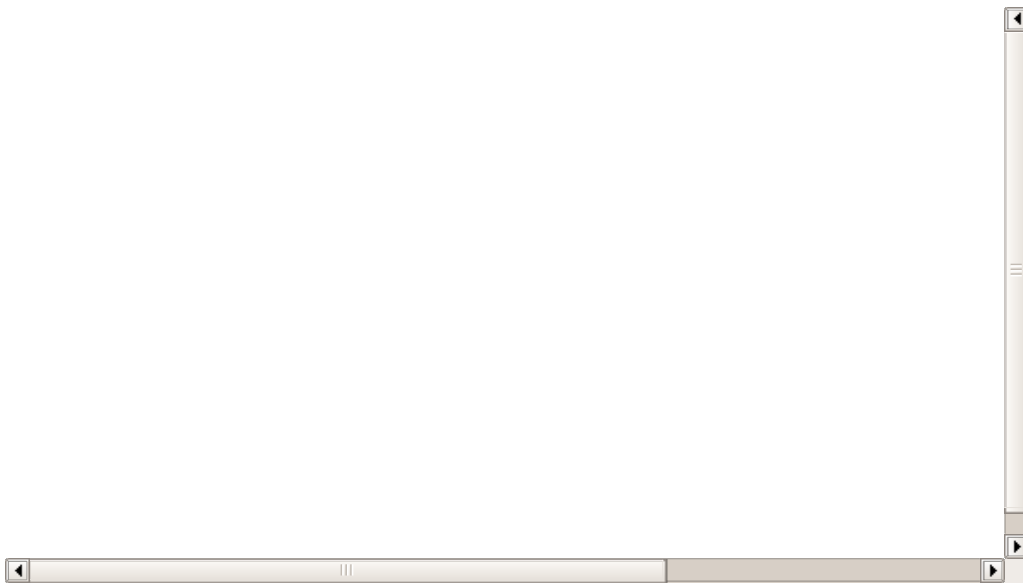

By [TESS India](#) | Feb 12, 2019

Students take on different roles in a pair work activity.

A teacher uses pair talk to help his students develop their ideas on a scientific concept.

A teacher prepares his students for a group-based discussion.

Use these videos to understand how to implement Pair Work and Group Work in your classroom. These ideas can then be incorporated in your own classroom.
