

## Assessing progress and performance at Secondary Level

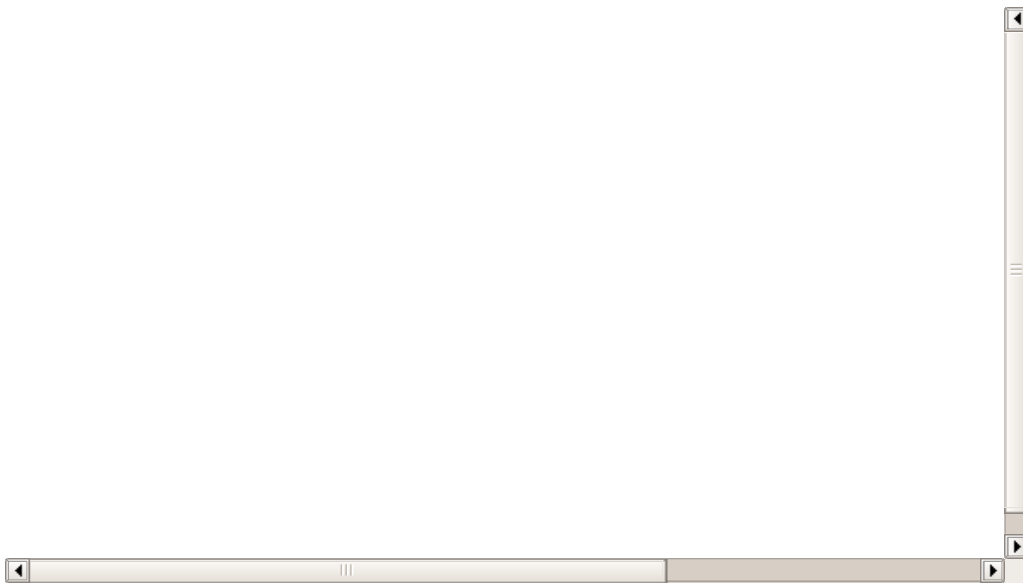

By [TESS India](#) | Feb 12, 2019

A teacher tries out different types of informal assessment with his large class.

A teacher employs a simple form of assessment with his students and uses his findings to amend his teaching plans.

A teacher has used his knowledge of his students' prior learning to organise them into groups.

These videos will help you learn how to assess the progress and performance of your students at Secondary level.
