

Small Science Teacher's Book for Grade 1 and 2

By [Homi Bhabha Centre for Science Education](#) | Apr 9, 2019

Small Science Class 1 & 2 deals with the broad area of environmental studies. This Teacher's Book illustrates a few of the almost unlimited learning opportunities offered by our immediate environment. In these first two classes we should remain unconstrained by a definite set of topics; the idea is to simply open up possibilities for learning in everyday contexts.
