Use the map to answer the following questions:

1. On which grid number is the house located?
2. What is there on B3?
3. On which grid do you find the word cat? Draw a cat there.
4. Where is the car?
5. Now draw a river on the map running diagonally from grid A7 and ending at grid G1.
6. Draw a bridge on this river on grid C5.
7. Draw a pond on grid F5, a park on grid G4 and a tree on grid D3.
