My trip
(The states of India)

If you wanted to visit one state in India which one would that be?

Do some research on that state and plan your trip:

• The state I would visit ____________________________________________

• The month I will go in ____________________________________________

• The climate in this state during this month
  _________________________________________________________________

• The clothes I will carry _________________________________________
  _________________________________________________________________
• The language spoken here ____________________________

• One food item from this state that I would like to try

_____________________________________________________________

• The cities I would like to visit

_____________________________________________________________

• The sites I would like to see

_____________________________________________________________

• The activities I would like to do

_____________________________________________________________

• The reason I chose to visit this state ___________________________
